

**April 2009**

**EFN MEMBERS WISHING TO JOIN THE COUNCIL FOR THE REGULATION OF ENGINEERING  
IN NIGERIA (COREN).**

COREN is a professional body that regulate and control training and practice of engineering in Nigeria. It also ensure and enforce the registration of all engineering professional and consulting firms wishing to practice and engage in the practice of engineering.

EFN have established a link with COREN for the registration of their members who wish to become a member to enable them to work and practise in Nigeria. Listed below is the process.

**Members' requirements:**

- Expression of interest to EFN Secretariat
- Download and complete COREN application form (COREN site [www.corenng.org](http://www.corenng.org))
- Return form to EFN Secretariat for checking and submission to COREN office with appropriate fee and documents listed below.
- A degree or Higher Certificate from accredited institution
- Relevant experience report (report length check COREN website)
- Appropriate professional qualification for example Chartered Engineer status

All enquiries before/after submission should be directed to EFN COREN co-ordinator through the secretariat.

COREN co-ordinator will advise candidates of interview date – after liaison with COREN registrar.

It is absolutely imperative therefore, if candidates wishes to travel or are unable to attend the interview, to inform the secretariat in advance after submission date. The secretariat will organise the venue and time of the interview.

**EFN Recommendations:**

A minimum of 10 candidates are require for each interview process to take place;

It is recommended that the payment for 2009 registration will be £600 per candidate;

The above payment will cover;

- The cost of travel and hosting of COREN registrar during interview
- Upon satisfactory registration, member's first registration fee of 26,000 naira,
- Associated cost of interview venue.

The above recommendations may differ annually.
